### Charles Carroll of Carrollton

FRAMERS OF THE CONSTITUTION OF THE U.S.A. NO. 9

## Charles Carroll of Carrollton, Md. "Father of Religious Liberty in America"

HISTORY proves, to their eternal honor, that the Catholics were the first in America to advocate the Freedom of all sects to worship at any shrine they chose to bend a knee. Of all the cavaliers of Maryland, none were more noble, and none adored Liberty more than Charles Carroll, who, with his kinsman, Archbishop John Carroll, strove for the hereditary rights of mankind to practice Civil and Religious Liberty. Carroll was one of the richest and most learned men in the Colonies, and when he proudly affixed his name to our immortal Declaration of Independence he courted the confiscation of his vast estates. A bystander facetiously remarked, as he did so, "There goes a few millions." He was elected to the National Convention which adopted the Constitution of the United States, but illness forbade his attendance. His cousin, though, Daniel Carroll, signed our National Law, which forever guarantees to Americans Civil, Religious and Personal Liberty. Carroll's manners were easy, affable and graceful; in all the elegancies of polite society few men were his superiors. His hospitality was nothing short of royal, and he was a lifetime user of light wines and barley brews. He died in his 95th year, the last survivor of the signers of the Declaration of Independence, and was looked upon with reverential regard by rich and poor alike. Fifty-eight years ago Anheuser-Busch launched their great institution, and have always brewed honest beers—the kind the illustrious Carroll loved to quaff. Day by day their famous brews have grown in popular favor until 7500 people are constantly employed to keep pace with the public demand. Their great brand—BUDWEISER—because of its quality, purity, mildness and exquisite flavor, exceeds the sale of all other beers by millions of bottles.

ANHEUSER-BUSCH, ST. LOUIS, U.S.A.

Visitors to St. Louis are cordially invited to inspect our plant—covers 142 acres.
